RECEIVED

Dear Sir/Madam

I have recently been given, by my nextdoor neighbour, a copy of the correspondence received by him concerning the London Plane tree situated in 47 Havant Rd. I totally agree with the plan to reduce the size of this tree as it is far too large for its present site.

I would like you to consider a more radical pruning as even when reduced

This varies depending on the time of the year.

One idea was to have solar panels installed but this is not viable

[REDACTED]

This is at its worst when most energy is required i.e Spring, Autumn & Winter.

Your comments on this matter would be appreciated.

Yours Faithfully
