Manage your account online

You can change tariff, see previous bills, make payments and more at sse.co.uk/my-account

K

Here's your electricity statement

For the period: 22 December 2020 to 17 March 2021

Dated: 24 March 2021

Your previous statement

We owed you
Your payments, thank you

Balance after your payments

This statement - estimated

Electricity charges

Total charges this statement

We've explained your statement in detail over the page...

The balance you owe us is

Your energy usage goes up and down throughout the year and your payment plan spreads this cost. But if you want to make a one-off payment, our easy ways to pay are on the back page.

Take control, it's easier online

Coronavirus has changed all our lives and we're working hard to look after all our customers. To help us do this, please use our website where possible at sse.co.uk.

Take advantage of our online services to manage your account quickly and at any time. You should set up an online account at sse.co.uk/my-account

Here's what you can do online:

- Submit your meter readings
- Review and change Direct Debits
- Review and pay your bill
- Get answers with our FAQs or webchat
- Change to a tariff that might suit you better

Could you pay less?

Your Personal Projection

We estimate your Personal Projection of costs for the next 12 months will be including VAT and any discounts. For more information see overleaf.

We believe in giving great deals to every customer, not just new ones. That's why we have a range of tariffs and bundles that could help you to save money.

To find out more, visit sse.co.uk/save-switch or call our award-winning customer service team on 0345 076 0521.

As we're now part of the OVO family, we're able to offer you a wider choice of tariff options.

Remember, it might be worth thinking about switching your tariff or supplier. Please note that switching tariffs may involve changing to different terms and conditions, so always check first. Prices may increase in future.

Turn over for more information about your tariff and the next page for more information about how much energy you're using.
