Dear Mrs. Crawford,

I wish to submit my
Comments, reference:- Two storey side extension and
loft conversion at, 56, Penk Ridge

The development will certainly be out of
keeping with the design and character of the estate.

I have discussed the proposed development
with the appellant and made him aware of my
views of his proposal. We discussed his ambitious
alternatives that fulfil his requirements. The
reasons he gave for such a large alteration did
not, in my view, provide sufficient justification
for this particular application to be approved.

Yes, it would partially reduce a lovely view
of Langstone Harbour and part of Hayling
Island. I also understand that this fact is not
relevant planning matter and can not be taken into
account.

I have been a resident of 51 for forty two years.
Living and having lived with lovely neighbours.
This includes the appellant and his family. I
informed him of my intentions to submit my views
without malice or spite but purely on proportional
and aesthetic grounds.

Yours sincerely,
