

HAVANT BOROUGH COUNCIL

**THE BUILDING ACT 1984
THE BUILDING REGULATIONS**

CERTIFICATE OF COMPLETION OF WORK

The Council hereby certifies that the following work was the subject of a Building Regulations application under Section 1 (3) of the Building Act 1984 and as far as it has been able to ascertain, after taking all reasonable steps in that behalf, the substantive requirements of the Building Regulations in force at the time have been met.

This certificate relates only to the work described below and not to any work carried out to which the Regulations did not on this occasion apply.

This certificate does not guarantee the quality of the work carried out nor can it be relied on as conclusive evidence that the work does comply with the Building Regulations. Any person who wishes to satisfy themselves of such should carry out their own independent checks and investigations.
