

HAVANT BOROUGH COUNCIL

26 JAN 2022

RECEIVED

24th January 2020

Letter to the Herford Building Society
Conservation

I have been informed that (you)
have visited the above property and
submitted recommendations.

I am writing this letter to
fully support those recommendations
and that they are carried out within a
short time frame.

I have moved to Hampshire from

[REDACTED] where the listed

Building Conservators, were highly
respected. Owners with a listed
Building did not undertake any
alterations or erection of Gate like
clikes without prior consent. Those
not following the planning laws
experienced huge extra costs and
law Court procedures.
