4. Eligibility

Will the extension be:

- A single storey; and
- No more than 4 metres in height (measured externally from the natural ground level);

☒ Yes ☐ No

If you have answered no above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will the extension:

- Where the house is detached, extend beyond the rear wall of the original dwellinghouse by over 4 but no more than 8 metres; **or**
- Where the house is not detached, extend beyond the rear wall of the original dwellinghouse by over 3 but no more than 6 metres;

Note that this should be measured externally.

Where the proposed extension will be joined to an existing extension, the measurement must be in respect to the total enlargement (i.e. both the existing and proposed extensions) to the original dwellinghouse.

☒ Yes ☐ No

If you have answered no above, the proposed extension will not be within the limits, set by legislation, for the prior approval process.

- **If the proposed extension would not extend, as detailed above, by over 3 metres (or over 4 metres for a detached house)**
Permitted development rights may still apply, subject to all the other eligibility criteria (including some not covered by this form).

- **If the proposed extension would extend, as detailed above, by over 6 metres (or over 8 metres for a detached house)**
The size of proposed extension means that you will likely need planning permission to build it.

In either circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Is the dwellinghouse to be extended within any of the following:

- a conservation area;
- an area of outstanding natural beauty;
- an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
- the Broads;
- a National Park;
- a World Heritage Site;
- a site of special scientific interest;

☐ Yes ☒ No

If you have answered yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

5. Description of Proposed Works

Please describe the proposed single-storey rear extension:

The extension is to be positioned at rear of building, to facilitate this we will remove a lean-to conservatory + a single garage. Both of these structures are over 40 years old and are constructed of very poor quality materials and are currently derelict.

The extension will have a flat roof with roof light window and will be constructed out of brick to match existing building.

Generally the extension will have parapet style wall to conceal the asphalt roof. We propose to install bifold doors to rear patio area. Internally we will be creating an open plan living/dining/kitchen area for family use.

HAVANT BOROUGH COUNCIL

RECEIVED

How far will the extension extend beyond the rear wall of the original dwellinghouse: 6.0 metres

Note that this should be measured externally.
Where the proposed extension will be joined to an existing extension, the measurement must be in respect to the total enlargement (i.e. both the existing and proposed extensions) to the original dwellinghouse.

What will be the maximum height of the extension (measured externally from the natural ground level): 3.0 metres

What will be the height at the eaves of the extension (measured externally from the natural ground level): * metres

* original building eaves height 2.1m
due to construction type the extension will have no eaves (because of parapet style)
