Dear Sirs

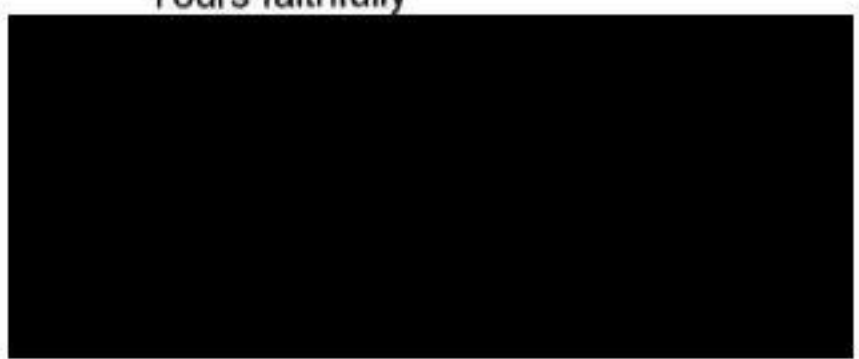

Proposed Development on Fields off Westwood Close, Emsworth

I write with my concerns about the 36 new houses proposed off Westwood Close, which are as follows:

1. The fields are a lovely walk for our family and a green belt site – there must be plenty of brown sites that could be used instead.
2. It's quite boggy and can't be the best place to build on anyway
3. It would be criminal to chop down the trees. Presumably the TPOs were placed on these trees to stop just that
4. Since the change in priority from Wickor Way into Westbourne Avenue, the traffic has got faster south down Westbourne Avenue and will be even more dangerous with the extra traffic that the development will make. The corner out of Westwood Close is dangerous as it is – you can't see until you are in the middle of the road and anyway Westwood Close is very narrow.

I hope these concerns may be taken into account when any decisions are taken.

Yours faithfully
