Dear Mrs Stewart

Application for Tree Works – Tree subject to a TPO

Please receive by hand my application for consent for tree works on a tree subject to a TPO.

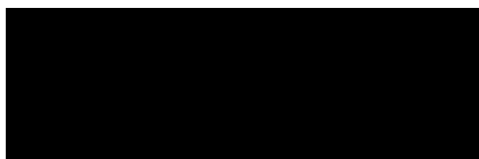

The application is in regard to works on a single oak tree in Grassmere Way, Waterloooville which affects three dwellings – Nos 21, 23 and 25 Grassmere Way.

My neighbours at 21 and 25 Grassmere Way have been consulted and are in full agreement that the proposed works are both desirable and necessary for the reasons stated in the application. They have asked me to formally make the application which I am happy to do.

I am happy to provide electronic copies of the two documents: i) the Application, and ii) supporting documents and photographs, to you by e-mail if that would be helpful.

Please confirm receipt and advise on outline timescales to progress this matter.

Yours faithfully

N A Hall-Stride
