

TO WHOM IT CONCERNS

I am writing to protest about the
Addition of first floor flats to 50-56
CREEK ROAD, HAYLING ISLAND.

Reasons are - Traffic, when cars
can't get into the parking spots outside
the Premier Sheds, they park in front of
our drives. This used to be a quiet road
which is why retired people settled here. Now
all we have is lots of noise and cars going
up and down. There is quite a lot of
building work going on in CREEK ROAD, too much.

The Island can't afford more flats and
houses. So please note that I am protesting about
the buildings work above 50-56 CREEK ROAD, the
Premier Sheds.

Yours,

CONCERNED RESIDENT.

CREEK RD
