Dear Mr Toole

Thank you for your correspondence dated 17 April 2024, re: **162 Park Avenue, Waterlooville.**

[REDACTED] However, for information only, since the two properties run east to west and my neighbours property is southernmost, there is no question of my existing extension reducing the available light or casting a shadow so that it deprives my neighbours property of light.

I hope that this letter explains the current situation and if you should require any further information, please do not hesitate to contact me. I can be contacted by phone if that proves to be more convenient for you. [REDACTED]

Yours sincerely
