Dear Mr Lakhan

**Havant Thicket Reservoir Implementation:
Application to Havant Borough Council to discharge Conditions 21 to 23 on APP/20/00990**

Further to our recent conversations, on behalf of Portsmouth Water's appointed contractor, Future Water JV Ltd, I am writing to formally apply to redischarge planning condition 4, relating to the detailed phasing plan as part of the implementation of Havant Thicket Reservoir.

The application has been submitted through the Planning Portal and the application fee of £145.00 (plus the administration fee) has been paid online. The Application comprises:

- This covering letter
- The application form
- Detailed Phasing Plan v.9 (Detailed Phasing Plan, For Reserved Matters Applications v.9.pdf)

A duplicate application has been submitted to East Hampshire District Council.

I would be grateful for the local planning authority's discharge of the condition at the earliest opportunity.

If you have any queries on the application or require any additional information, please contact me on 07919 486420 or a.blaxland@adamshendry.co.uk

Yours sincerely

Andy Blaxland
Director
