Dear Sirs,

Planning application APP/17/01303 - Discharge of Conditions

The attached plan shows the works proposed to permit discharge of the conditions.

Installation of the trellis has been instigated; the work will be implemented in early April 2018. Planting will be carried out in that month.

The plant varieties chosen are evergreen/semi-evergreen of vigorous habit hopefully to tolerate the non-ideal planting conditions and quickly to provide the required screening.

Yours faithfully,

DJ Eckford
