Reference Planning application APP/23/00468

9 The Brow, Waterlooville, PO7 5BY

Thank you for your letter dated 26 July 2023 informing us of further details of the above planning application which comprised of updated drawings which are referenced below. One of our main concerns of this planning application, which we have already stated in our previous comments, was that from the main window of the second story extension [REDACTED] which compromised our privacy. This concern [REDACTED] does not seem to have been addressed or taken into account in these revised drawings.

There is a fairly simple solution to this problem which would be to move the bedroom window on the north side of the second story extension to the south side of the extension. [REDACTED]
[REDACTED] would not affect the build of this extension in any adverse way.

Would you please email me to acknowledge receipt of this email.

Regards
