SinA Site Objections App/20/01093

- (I) Road off Island / bridge etc ONLY NEED One vehicle to Stop, Bus, Bin truck And Queue goes back three miles in ten minutes. And last??
 - (II) Sewerage is At its overflow level now, Another 198 Homes Equals 400 plus people, what then? You know it overflows, what next?
 - (III) All these new people will need work off the Island, Not a good move, No work on Island
 - (IV) Site Floods, Water was 9 inches deep last winter on edge of my garden And it killed the crop in the field, only WEED growing Summer.
 - (V) Can't the Council see the problems, 98% of HAYLING people can.
