HAVANT BOROUGH COUNCIL

20 MAY 2020

RECEIVED

To PLANNING SERVICES

REF APP/20/00127

I still raise my previous objections to the extension at 33 CRYSTAL WAY (REF AS ABOVE) concerning overshadowing and loss of light to my property which effects my living space especially my kitchen [REDACTED]

[REDACTED] as mentioned in my letters you have already received)

Although the roof line is lower and glass the north-facing wall joining my property is higher extending out and around to the west facing garden so that the height

over the bi-fold doors is higher than in previous plans.

As my property is west facing to the rear this explains the serious overshadowing and loss of light I will experience in my home

I hope you will take my concerns into consideration when making your decision. I am quite happy to answer any questions that might arise

Yours Sincerely
