PLANNING PROPOSAL
Havant

- Write the date of display at the bottom of the notice.
- **Make sure you display the notice promptly for 21 days in total (you may remove it after the 21 days has expired).**
- **Display the notice on the land outside the application site, in a public area, on the highway frontage or appropriate boundary where it is most visible to the public e.g. gateway, lamp post, telegraph pole.**
- **Display the notice so it can be easily read by passing pedestrians.**
- **DON'T attach it to a road sign as this could distract motorists from the main purpose of the sign.**
- **Photograph the notice in situ and complete and return the tear off slip and the photograph(s) by email. You must confirm the date the notice was posted.**

Checks will be carried out, so it is essential that you display the site notice(s) in a suitable position and for the correct length of time. Incomplete notices, or notices sited in unsuitable locations are likely to have to be re-posted in order to meet statutory requirements, which will delay the progress of your application.

Complete and return this slip and a photograph of the notice with the reference number and the date notice displayed on site to planning.development@havant.gov.uk **with an approximate description of the posting location.**

I have today displayed the site notice in a prominent position on/near the proposal site (photo attached).
