

HAVANT BOROUGH
COUNCIL

03 MAY 2017

RECEIVED

Bedhampton,
Havant,
PO9 3FE.
2.5.17.

Dear Sir / Madam,

Your Ref APP/17/00254.

We refer to the above mentioned planning application and hereby object to this application.

The erection of a log cabin would affect the appearance and outlook. Such a building would be a permanent structure which could be a home causing additional parking problems. The parking space has been and still is fully occupied.

There was no mention in the letter covering the application regarding the front fence and iron railings which if removed would be a complete change of appearance, layout and outlook and would result in a large extended parking area.

You should also be aware that in conversation with the owners of No 32 that he intends to use the front area for parking his caravan/vehicles.

This will be a breach of his T.P.1 legal agreement with the developer.

Our objection comes under your Relevant Considerations paragraph.

Yours faithfully,

Mr + Mrs J.E. FARRANT
