Dear Sir/Madam

Re: Proposed 3 Bedroom Extension to 12 Dribden Close, Havant PO9 4BB

I wish to make a complaint regarding the Proposed 3 Bedroom Extension to the above address for the following reason.

- 1) The proposed parking allocation for the 2 properties (ie allocation of 4 off-road parking spaces for the 2 properties) is not acceptable. You are proposing to take allocated parking spaces from the Close in order to achieve this. This will have a huge effect on the current residents in the Close. There are already not enough parking spaces for the current residents, due to the fact that Hordle Rd, Appleshaw Green residents use our Close for parking their cars.

We can ill afford to lose anymore Parking Spaces in the Close. If you go ahead with your current proposals there will be some very unhappy residents. On average each household in the Close has 2 or more cars, meaning that there are already not enough parking spaces. If you go ahead with your proposals, there will be even less.

I hope you will re-consider your proposals, to take into consideration the current residents needs.

Yours Faithfully
