Dear Mrs Crawford

Ref: Planning Application - APP/17/00190
26 Havant Road, Proposed front extension (revised application)

As the occupier and owner of 24 Havant Road, I am concerned about my neighbour's proposed extension.

Although this is an amended application, my kitchen will still be subject to a loss of daylight. The two metre extension to 26 Havant Road will line up half way along my last kitchen window. The pitched roof which is positioned half way up the first storey will also exclude light from my kitchen.

As explained before the windows are north facing, so there will not just be a loss of light, but also heat from the sun.

For a considerable amount of time each day I am working in the kitchen. [REDACTED]
[REDACTED] The loss of daylight will impact not only on my ability to see clearly what I am doing, but also on my sense of wellbeing.

Yours sincerely

[REDACTED]

Mrs S K Taylor
