Sir/Madam.

I am registering a strongly held objection to the proposal for planning permission being granted for an extension at 34 Deverell Place as I will be overlooked by the residents & I bought my property as this was originally a bungalow estate.

I am already overlooked by my neighbour & the people behind me & I feel enough is enough.

Planning permission was clearly given to the new owners of number [redacted] & it is now a ridiculous monstrosity & totally out of character to this close.

Yours Faithfully
