

Ref. APP/20/00590.

11. 9. 20

Dear Sirs,

I am writing to place my objections to the proposed ~~proposed~~ construction of a balcony at 11 Flex Walk.

Although we would only have ~~an~~ limited view of said balcony, we feel to allow this development would set a precedence for all the houses along Flex Walk some of which overlook our back garden, which is very small, and this ^{sort of} extension behind us would be an intrusion on our property and privacy.

Yours Sincerely.
