Dear Sir/ Madam,

RE: Pre Application APP/24/00544 Change of use from car wash unit to office and customer servery (Class E).

This letter is to address the concerns around the insecure and improper storage of products/ chemicals in order to make space for the proposed development.

The Store area subject of the change of use application is in vacant possession and is not currently being used in connection with- and is genuinely surplus to the current requirements of the car wash/ valeting business. It is not anticipated that this store will be required for use in connection with that business in the foreseeable future.

Yours Sincerely,

A solid black rectangular box used to redact the signature of Sarah Roberts.
