Re: Garage conversion to annexe. External alterations to main dwelling.

In acknowledging receipt of the above application I informed you that the target date for determination of the application was 11 October and subsequently 25 October 2019.

I am writing to advise you that for the following reason the Council is unable to determine your application by that date and I am writing to request agreement to the period of determination being extended under Article 34 of the Town and Country Planning (Development Management Procedure) (England) Order 2015.

Reason:

In order for a compliant Flood Risk Assessment to be submitted and forwarded to the Environment Agency for further consideration.

To extend the period please return, signed and dated, the slip below or alternatively please confirm by email within the next 5 working days. If you wish to discuss this request further, please contact me.

Yours sincerely
