YOUR COMMENTS ON THE CASE

The Storage Shed

It is almost completely screened from our view by our evergreen fir trees, this also screens the view of pedestrians and cars approaching from the left. Mr Bassets laurel hedge screens at the front. What we can see of the shed is well built, tidy, and in no way offensive to the eye. We are surprised this shed has been flagged by the council. In our opinion Mr Basset is just making good use of his own land and in no way impacts the street scene in a negative way.
