Flat 8 Silversands Court

Dear John

If there is anything that can be done to remove the large tree in the front it would be much appreciated. Any help you need from me please do not hesitate to ask you will have my full support.

In the autumn the leaves make a complete mess of the walkway outside of my flat and are very slippery. They also clog the engine of my car.

As far as I am aware the work was to reduce this tree by 25 percent. This has missed the mark by a considerable amount and I feel the best option is to remove it plant something prettier and smaller.

Kind Regards

Pauline
