For the attention of Mr J Gargett

Dear Sir,

We refer to the above proposal to reduce trees which are subject to TPO regulations, on land east of Sandy Point House, 16 Seafarers Walk, Hayling Island.

We are very much in agreement and thoroughly approve of the proposal. We believe that conscientious pruning and maintenance of the trees on Hayling Island is essential both for the health and longevity of the trees. We also believe that care of the trees benefits all those who enjoy this area near the Chichester Harbour Area of Outstanding Natural Beauty.

Yours faithfully,
Susie Robins
