Dear Mrs Lewis

Your annual gas summary

For the period: 25 June 2016 to 24 June 2017

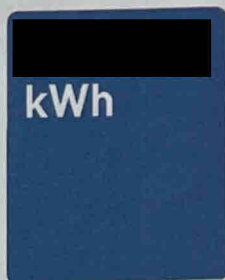

This is important information about your gas usage and tariff. It is not a request for payment but lets you see how much gas you've been using. You can also use it to see how your tariff compares with others that are available. Please keep this summary for your records and let us know if we can help further.

Remember - it might be worth thinking about switching your tariff or supplier.

Your gas usage summary

We've worked out that this year you used
[redacted] kWh.

This is based on actual readings.

Previous year

This year

Your total estimated costs were [redacted]

Based on our best estimate of your annual usage and your current prices, we estimate you will spend [redacted] in the next 12 months. This is your Personal Projection and includes VAT and any discounts.

Prices may increase in future. If the price of your tariff changes, or you change your tariff or the amount you use, the forecast will also change.

Could you pay less?

Our cheapest similar tariff

Good news - you're already on our cheapest evergreen tariff. We'll let you know at least once a year if this changes.

Our cheapest overall tariff

By switching to SSE 1 Year Fixed v11 (subject to limited availability) paying by Direct Debit and choosing paperless billing, you could save...

£752.04 a year.

Please note that switching tariffs may involve changing to different terms and conditions, so always check first.
