Havant - Hants
PO9 2DH

Dear MR Eaves

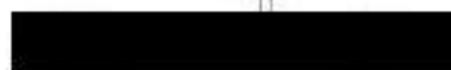

I am contacting you with regards to the proposed plans regarding the redevelopment of the Curlew Pub PO9 2HU, which contains planning application for the demolition of existing buildings & the erection of a three story block of 31 Flats. My husband & myself do not agree with the development being three story which is much higher than our houses. The third floor residents would be able to look

2

Straight into bathroom & bedroom
& garden with the loss of privacy.

We have no objection to the
development as such but three story
is too high close to our houses.

Yours faithfully

Attention .
