Dear Rachel,

RE: Manor Farm, Lower Road, Bedhampton

Further to your instruction, we write to present the results of the winter groundwater monitoring undertaken in the well installed in borehole BH102.

Four rounds of groundwater depth monitoring have been undertaken over the period from November 2018 to March 2019 and the results are presented in Table 1 below.

Date	Groundwater depth (m bgl)
02/11/2018	4.38
17/12/2018	3.56
21/01/2019	3.52
01/03/2019	3.71

Table 1 Winter groundwater monitoring records for BH102

Closure

We trust we have interpreted your request correctly and provided sufficient information for your current requirements. Should you have any queries please do not hesitate to contact us.

Yours sincerely
For and on Behalf of Geo-Environmental
