Re APP/21/00024

Dear Sir,

Regarding the above planning application, on the plot of land known as "Joey's field" I would like to strongly object to this project.

I have lived in Padnell Road for 31 years (and before that on the Hazleton Estate - 28 years) and have seen the traffic increase alarmingly over that time!

We have 2 schools, a church, retirement flats (Nightingale Lodge) and a community centre already — and when the development at Padnell Grange takes place — some 80 dwellings — I dread to think what the traffic will be like!!

I suggest someone on

the planning committee comes
and has a look at the
conditions in the road at 3pm -
school pick up time - after the
covid 19 restrictions have been lifted -
of course.

Yours

HAVANT BOROUGH
