PROPOSAL Single Storey Rear Extension

Dear Sir

Regarding the revised proposal, of
Nº 2. Capel Key. Purbrook. 3.3.20. I'm disappointed,
as it seems that the large Extension is, going
back to the original Plan. it seems that the
Single Storey building is going to be even higher,
as the new building, will be the same height,
as the Extension which is already there, Plus
a sky-light. Effecting on day light, & privacy,
and Outlook.

Considering the first Plans were turned
down, as it was said to be out of character
with the area,

I hope all these things, will be Taken
into Consideration.

Yours Sincerely
