

Dear Mrs D Haywood,

Please do not allow the proposal to build houses on this particular piece of land. When visiting my family in Emsworth this an area of green space that enables us to commute between Westbourne and Emsworth in open countryside. Why destroy something that gives so much pleasure to those who use it? Felling trees, endangering wildlife, taking away a means of improving mindfulness, additional car usage in the surrounding areas, disruption to the lives of those who live in Westwood Close. So many reasons make this an inappropriate site to build houses on. There must be alternatives to this proposal that would hopefully prevent the spoiling of what is a lovely part of the Borough of Havant.

Yours Sincerely
