Dear Sirs

23 Newlands Road Purbrook PO7 5NF

Please find enclosed my Planning Application for the above. This follows the granting of Planning Permission APP/21/00859 which contains a three-year commencement condition. As this expires in September of this year, my Client wishes to renew this Permission which is identical to the approved scheme.

I should be grateful if you would advise on the Planning Fee for this matter.

Yours faithfully

Edward Caush
