RECEIVED

I [REDACTED] of Copse Meadow Lodge, Copse Lane, Hayling Island, Hampshire, PO11 0QB make oath and say as follows:

1. Jointly with my wife [REDACTED] I purchased the property then known as Albertville and land adjoining at Copse Lane Hayling Island Hampshire PO11 0QB ("the Property") and we became the registered proprietors on 18th July 1989.
2. My wife and I have owned the Property ever since our purchase, continuously and throughout that period to date.
3. Title to the Property is registered with title number HP334363 and a copy of the registers of title and title plan is exhibited hereto as "CRB1" which shows the date my wife and I became registered proprietors.
4. Since our purchase the name 'Albertville' was changed to 'Copse Meadow Lodge' and the land adjoining was changed to 'Copse Meadow Farm' at Copse Lane, Hayling Island.
5. When we purchased the Property there were two caravans there, which were at that time inhabited by two tramps or gentlemen of the road, ("the First Tenants").
6. The First Tenants had been living in the two caravans for some time prior to our purchase in 1989 and they did not pay any rent. We allowed that situation to continue for as long as they wanted to continue living there.
7. The First Tenants remained living in the two caravans (Vans 1 and 2) gratuitously until they voluntarily departed approximately two years after our purchase, that is in or about mid-1991.
8. Early in 1990, I purchased a further caravan which was placed at the Property and which has remained there ever since.
9. In 1990 I instructed [REDACTED] AA dip, registered architect, of [REDACTED] Victoria Road, Emsworth, Hampshire, PO10 7NH, to work on a plan for stables in a sheltered farm-yard at the Property (which plan was never implemented).
10. Exhibited hereto is a copy of a letter dated 29th March 1990 hand written by E [REDACTED] to me together with her plan marked "CRB2" ("the Plan").

11. The Plan shows the three caravans that were in situ at the Property at that time, in March 1990.

12. Since then, I purchased two further caravans which were stationed on the Property and whilst the caravans have not always been in the same positions at the Property, throughout my period of ownership from July 1989 to date (over 34 years) the five caravans have always been situated and stationed there and have been occupied throughout that period as follows:

12.1 After the years of occupation by one of the First Tenants (which had been for at least two years), Van 1 Copse Meadow Farm Copse Lane Hayling Island Hampshire PO11 0QB was then rented to [REDACTED] in or about September 2000 and he lived there continuously until December 2009 (which had been for nine years) when he left to live with his girlfriend. At that point Van 1 had been occupied for a period of at least 11 years. M [REDACTED] then returned to Van 1 in February 2013 and he has lived there ever since, continuously throughout that period to date, for a further 10 years.

12.2 After the years of occupation by the other of the First Tenants (which had been at least two years) Van 2 Copse Meadow Farm Copse Lane Hayling Island Hampshire PO11 0QB was rented to D [REDACTED] in late 2009 and he has lived there ever since, continuously throughout that period, to date, for a period of nearly 14 years.

12.3 Van 3 was first rented by P [REDACTED] Copse Meadow Farm Copse Lane Hayling Island Hampshire PO11 0QB) who first took up occupation of Van 3 in the Easter of 2009 and lived there continuously until the summer of 2015, for six years. Then, Van 3 was rented to G [REDACTED] moved into the caravan immediately after P [REDACTED] left. G [REDACTED] has lived in Van 3 ever since, continuously throughout that period, to date, for a term of eight years. Together, the periods of occupation of P [REDACTED] and G [REDACTED] of Van 3 amount to over 14 years.

- 12.4 Van 4 Copse Meadow Farm Copse Lane Hayling Island Hampshire PO11 0QB was first rented by K [REDACTED] and P [REDACTED] who took up occupation in or around June 2008 and they have lived at Van 4 continuously throughout that period to date, that is to say for over 15 years. *Ed Hale*
- 12.5 Van 5 Copse Meadow Farm Copse Lane Hayling Island Hampshire PO11 0QB was first occupied in the Spring of 2010 by J [REDACTED] currently of [REDACTED] Milton Road Waterlooville Hampshire [REDACTED] who lived at Van 5 continuously until the Autumn of 2014, for a four-and-a-half-year period. Then N [REDACTED] currently of [REDACTED] Renown Gardens Waterlooville Hampshire [REDACTED] moved into Van 5 in the Easter of 2015. Shortly after N [REDACTED] moved in, his girlfriend moved into Van 5 with him. Both N [REDACTED] and his girlfriend lived continuously at Van 5 until they were given a council flat in mid-summer 2021, having lived at Van 5 for over six years.
- [REDACTED] moved into Van 5 in mid-July 2022 and has lived there continuously ever since.
- 12.6 I have been paying business rates for the premises including the five caravans since 2004 and exhibited hereto marked "CRB3" are such of the business rates bills as I have been able to find which start with a bill for 2010.
- 12.7 Since the early 1990's I have been paying for the consumption and use of electricity at the five caravans.
- 12.8 Since my purchase in 1989 I have also been paying water bills for the caravans and I have exhibited such of the water bills as I have been able to find which start with a bill dated 19th October 2010. They are marked "CRB4".
- 12.9 Foul water had always drained from the five caravans at the Property into a cesspit until 2016 when arrangements were made for the foul drainage system to be connected to mains in 2016. Exhibited hereto and marked "CRB5" is a copy of letter from James Hennessy Construction Ltd with quotation for laying pipework and letter from Southern Water dated 8th August 2016

Dear Mr Bond,

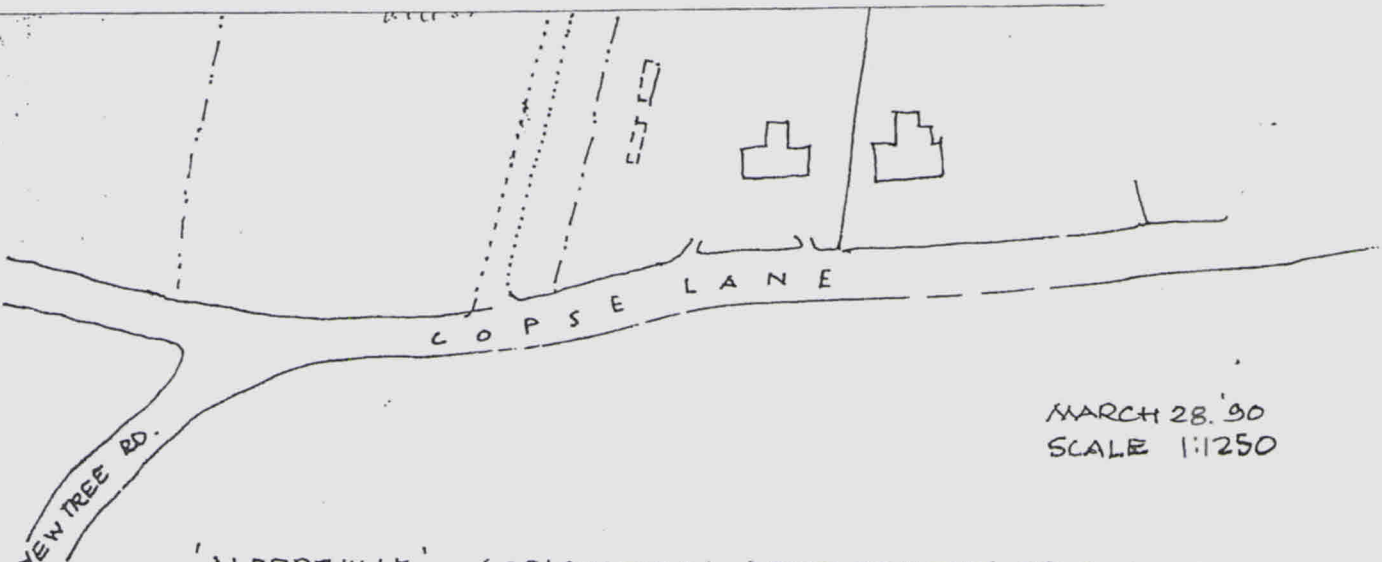

I'm enclosing a sketch of the best place for your stables - so that you can eventually create a proper sheltered 'farm-yard' -

Horses look onto the yard, the sequence of 'food' in - food out - does not double back on itself - Vans do not cross the apron diagonally - pigs etc can have south facing pens, serviced from the north, but opening onto an open pen (or goats!) - I have to catch a train in a few minutes so this is a bit rushed, If this layout is OK then I'll draw up the stables as designed & drawn by your builder (to the large scale)
