For the attention of Mr R Leal

Dear Sir,

Reference: APP/19/00709

Proposed loft conversion with gable lifts and front and rear dormers; single storey rear extension at 25 Sandyfield Crescent, Waterlooville, PO8 8SQ.

I write in connection with the above planning application. I wish to object strongly to the proposed works at 25 Sandyfield Crescent.

The works which are being proposed would have a negative impact on my property and my privacy. At present I am able to enjoy sitting in my garden and conservatory without feeling over looked, however if the works being proposed are to take place then I will no longer have my privacy as the property at 25 Sandyfield Crescent would now overlook my property. As I am a keen gardener this would impact my life considerably.

If planning was to be granted to the owner at the fore-mentioned property, there would be significant disruption due to noise levels caused by the construction works.

To date I have not received any plans or drawings detailing the works which you have mentioned in your letter dated 19th July 2019.

As the works would have a significant impact on my privacy, I see no reason why planning permission should be granted.

Sincerley,
