Dear Sir,

I was shocked to learn that you are considering granting a planning application for a house to be constructed in the grounds of The Manor in Old Bedhampton.

This is totally inappropriate for a historic and listed building in a conservation area. The Manor is part of a very charming area with the lovely Church and a number of other characterful, historic buildings making it an oasis in the rather bland suburbs of Portsmouth. It is important to retain the views of The Manor for all to enjoy, especially from the adjoining public space, a house in the back garden would obscure these and take up too much of the land surrounding The Manor.

These parts of our heritage are important for future generations, once forfeited they can never be replaced.

Please register my objection,

Yours sincerely
