

Alan G. Perfett, 111 Kings Road, Hayling Island, PO11 0PE

22nd June 2016

Dear Sir,

I am writing in connection with planning application Ref. APP/16/00399, the proposal to construct two houses at the junction of Kings Road and Restawyle Avenue, Hayling Island. My main objection is that the site is too small for two houses, bearing in mind that parking is already very difficult, and the application does not mention whether off road parking will be provided at both houses. Also this area is used by pupils to walk to three schools in the area, and parents park on the road here and walk their children to two of these schools. This causes more congestion on very narrow roads, especially on Mondays when the refuse collection lorries are picking up, plus the numerous delivery vehicles which use these roads regularly. I hope that you will consider my concerns when examining this application.

Yours faithfully

Alan G. Perfett
