

- ...the notice so it can be easily read by passing pedestrians.
- **DON'T** attach it to a road sign as this could distract motorists from the main purpose of the sign.

- **Photograph the notice in situ and complete and return the tear off slip and the photograph(s) by email. You must confirm the date the notice was posted.**

Checks will be carried out, so it is essential that you display the site notice(s) in a suitable position and for the correct length of time. Incomplete notices, or notices sited in unsuitable locations are likely to have to be re-posted in order to meet statutory requirements, which will delay the progress of your application.

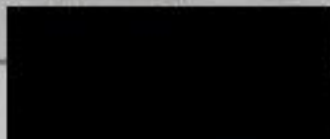

Complete and return this slip and a photograph of the notice with the reference number and the date notice displayed on site to planning.development@havant.gov.uk with an approximate description of the posting location.

I have today displayed the site notice in a prominent position on/near the proposal site (photo attached):

Lamp post to front of 79 Hollow Lane.
[please give an approximate description ie lamppost in front of 26 High Street]
