

30th July 2019

Dear Mrs Haywood,

Yet again Barretts are trying to bully us into letting them build their 195 Houses.

As has been demonstrated already the Island cannot take it.

1) I sat in a traffic jam for 5 hours because of a water main burst.!

2) We have lost our Blue flag because of sewage being put into the sea.

3) I have tried to see a Doctor several times in the last few weeks. I have seen a Triage nurse twice

and a Paramedic who then
prescribed drugs for my
problem. Whilst this was ok
the Doctors just cannot
cope.

I could go on and on. We as
an Island just cannot take
any more houses on the
Island. The infrastructure and
services are not up to it.
Please take some notice and
refuse this development.

Yours sincerely
