RECEIVED

Dear Person in planning Service.
your Ref. APP/19/00041
24 Sultan Road EMS. PO10 7AP

Living in no 22 Sultan Road I
wish to draw your attention to the
following :-

- 1) Noise - I could have a sitting room next
to my bedroom. Being elderly do I want that?
- 2) There are several defects noted on the
full survey in March 2018 which has not
been carried out. Back to my knowledge.
- 3) I require access to put my bins out.
Will that charge?
- 4) My neighbours and I have parking prob-
lems already. I know this isn't a consideration
but it is serious. Being fined, unable to
go to see friends or in the country.
- 5) You are setting a precedent - more flats
more cars!!! Devaluation of our
houses. please reply - I'm still waiting
for a reply regarding the Railway Inn's applica-
-tion!!! Yours sincerely
