Dear Mrs Otton,

The Planning (Listed Buildings and Conservation Areas) Act 1990

Site Address

As above

Proposed Development

Listed Building Consent for replacement of 2No. windows and removal and replacement of render to south elevation.

Thank you for your prompt response to my application in your emailed letter dated 23 Nov 17.

I previously enclosed a copy of the land registry location plan in the hope that one government agency might recognise the work of another. Since this appears problematic, I enclose a location plan taken from the original (i.e. pre Land Registry) deeds so copyright should not be in issue. I have added a larger scale plan for clarity.

As requested I enclose an existing and proposed south elevation plan.

My apologies for signing Certificate B in error. As you did not appear to attach a certificate A, I have downloaded and signed again.

I trust this is satisfactory.

Many thanks,
