Lewis Oliver
Principal Planning Officer
Havant Borough Council
Civic Centre Road
Havant PO9 2AX

Dear Mr Oliver

Re: Proposed Lidl Food Store; Application No. APP/17/00656

I write in support of this application.

I shop locally in Hayling Island and also at Lidl in Havant. Should you grant permission for this development, I shall continue to use my usual shops in Hayling, but will not have to travel to Havant to get to Lidl. Thus I shall use the roads less and contribute in a small way to reducing congestion on Hayling's very busy roads.

Congestion will be further reduced by the parking at Lidl that will be available to parents taking their children to Mill Rythe School; it will also improve the safety of this four times daily movement of young children.

Thus, in the interests of reducing traffic and congestion and of improving road safety I request that this application by Lidl for a food store at Manor Road be granted.

Yours sincerely,

Susan Cornells.
