Dear Mr Eaves.

Site Address: land South of Bastons Road, Havant.
We totally object to the above proposed development and
our objections are as follow:—

1. Two extra junctions on a blind bend on Baston Road.
Have traffic police been informed?
2. Sewage is not capable of taking extra. It already
overflows into the field. It would need a large
system to cope in the East/South.
3. The earth is not suited for a Swale ditch.
4. A fence should be erected to stop fly tipping on
the south side of the field where the trees
are to be left in situ.
5. More interest has been shown to keep a view of
the Solent than the protection of existing residents.
6. We will hold Havant Borough Council responsible for
any movement to our foundations.

Yours sincerely
75 PORTWIN
