Dear Sir or madam

Ref proposed to extension
at Rosebud Cottage 1 and fellow residents do
believe that this is accommodation. We have had 2
years of porries, builders and disruption at this site.
They damaged pavement etc what had to be put right
by council. This is a very busy road with 3 schools
in it lorries were parked along the road outside
house, pulling out into road to back in sometimes
narrowly missing school children. I think enough is enough.
of disruption.

Yours Sincerely
