Dear Sir/Madam,

I am writing in
connection with proposed plans
for Victoria Road, Hayling Island.

I have to say that on
investigating them, I am very
concerned indeed on all counts.

Putting housing on this site
which is already a flood prone area.

My back garden has been
badly flooded on many occasions,
sometimes with what was sewage
waster.

The plans for a pond & cafe with
this is horrifying - what a health
hazard!

Then on top of this is the
question of traffic!

Havant Rd gets so congested
and is often at a standstill.

I understand of course
there is so much demand for
house building.

However I am sure it will not
be the desire of the council that
those in the existing area would
consequently have their lives
made a misery.

Counting on your sympathetic
ear and understanding of the
proposal.

I remain

Yours sincerely
