Dear Sirs

Proposed works at 19 Westbourne Avenue

We are surprised and concerned that the application by our neighbours for a flat-roofed garage is being altered to a pitched roof.

The Hardies have very kindly asked for any concerns we may have over their proposed alterations and we had no objections to them at all as they stood originally.

However, changing from a flat to a pitched roof, alters this as it will substantially block the light into our room which looks out on that side of our house. Incidentally, our own garage is pretty flat as are many in the street.

Yours faithfully
