Peter Fellows a Harant. Gov. UK

SUBJECT: 2 TOWERS GARDEN LANGSTONE

Dear Sir, I wish to register my objection to the proposal for a hard standing area at the above property, which is currently a lawned front garden. It will set a precedent for future home owners to follow this trend, thus becoming a Concrete Jungle in a Garden Suburb from the High Street, which has CONSERVATION STATUS and contravenes this title.

We are losing important tracts of green space, which will encourage the existence of insects, birds and butterflies... thus giving us the justification of a "green and pleasant land."

I urge you to consider wisely this application.

Yours sincerely ~
