

7-8 Sparden Court

Precent  
Havant

### Change of use Application.

My plans for the shop are to turn it into a beauty salon, offering Hair, nails and various other Beauty treatments.

Plans have been submitted to show the additional changes I would like to make, and I have been in contact with buildings control also and am in the process of putting together my application for them.

I expect to begin with 4-6 members of staff, who will be self employed and rent stations and/or rooms at a daily rate. Over time I would like to think that this number would increase to approx 10 members of staff.

General opening hours anticipated are 9-6 weekdays, with potentially 1 late night opening until 8pm, possibly on a Weds or Thurs (dependant on demand). Saturdays would be 1 in 4 to begin with 10-4pm.

Please let me know if you require  
any further information.

Kind Regards

Kimberly Clark
