Hi Robert

Thank you for your email and I can confirm the bat box at 3m is fine, [REDACTED]

Subject: APP/22/01148 DOC 6

Good afternoon Roger

The ecologist has stated " The application includes details of a single bat box to be installed on the eastern elevation of the dwelling. This is acceptable, and I would highlight that the box will need to be installed at a height of at least 3 metres, ideally as high as possible".

Please can you confirm it would be at least 3 metres tall to accord with this guidance.

Kind regards Rob
