Dear Sir,

Re: Planning Application number APP/17/00656-Lidl

As a Hayling Islander I was excited to learn some time ago that Lidl might be coming to the Island which was great news. However, as nothing further has transpired I can only assume there have been objections by the Hayling 'elite'. I would therefore like to list the reasons why I feel having a Lidl store on the Island would enhance the lives of all its residents.

- People not having to go off the Island for their main shop
- Less traffic going off the Island especially at weekends and Bank Holidays
- Attractive, convenient store for holidaymakers & visitors
- More variety at Lidl, much lower prices
- We do not have the luxury of observing the proposed site at present as it is behind a hedge & means nothing to the average resident
- Residents would be able to take advantage of Lidl's great offers
- Much needed competition for the other retailers on the Island

I trust you will give the above points due thought when considering Lidl's planning application and I hope there will be a positive outcome to the whole issue for all Hayling Island residents.

Yours faithfully,
